

Kentucky PTA Members now eligible for Class Act Federal Credit Union

Kentucky PTA is proud to announce that all Kentucky PTA members are now eligible to join Class Act Federal Credit Union. Class Act FCU was established in 1954 by a group of Jefferson County teachers to serve teachers and other education-based employees. Now, over 60 years later, the credit union continues its mission of catering exclusively to an even broader educational community in Kentucky.

Class Act is a fully modern financial institution, offering online and mobile banking, including SnapDeposit allowing members to make deposits using only a smartphone. The credit union offers a full range of products and services, all designed to save you money. As an example, their Honors Checking account boasts an annual percentage yield of 4.0% and up to \$25 per month in ATM fee refunds, with no monthly fee, and no minimum balance. They also offer great rates on loans of all types, including a wide array of real estate loans, all designed to give you *“Straight A’s for your Money.”*

Best of all, for a limited time the credit union will make a **free \$25 deposit** into the savings account for any Kentucky PTA member who simply joins the credit union, and will make **an additional gift of \$5** to Kentucky PTA for each Kentucky PTA member who joins the credit union (see coupon below).

No other credit union has cultivated such a unique bond with the local educational community. Class Act is involved in many public school programs and sponsorships. Your support for the credit union will enable Class Act to do even more to help teachers, parents, schools and students advance education throughout Kentucky.
