### PTA Mission

- **To Support and speak** on behalf of children and youth in the schools, in the community, and before governmental bodies and other organizations that make decisions affecting children;
- **To assist** parents in developing the skills needed to raise, educate, and protect their children; and
- **To encourage** parent and public involvement in the public schools of this nation.

### The Purposes of PTA

- To promote the welfare of children and youth in home, school, community, and place of worship.
- To raise standard of home life.
- To secure adequate laws for the care and protection of children and youth.
- To bring the home and school into closer relationship, so that students, parents, and teachers may cooperate intelligently in the education of children and youth.
- To develop between educators and the general public such united efforts as will secure for all children and youth the highest advantages in physical, mental and social education.
