The PTA Mission

To support and speak on behalf of children and youth in the school, in the community and before governmental bodies and other organizations that make decisions affecting children,

To assist parents in developing the skills they need to raise and protect their children; and

To encourage parent and public involvement in the public schools of this nation.

KENTUCKY PTA

KY PTA has two awards of recognition that PTAs and PTSAs can give to honor deserving youth and adults within your community.

ADULT AWARD: Giving a Kentucky PTA Honorary Life Recognition is a perfect way to recognize an individual who has given outstanding service and support to children and youth. Someone who has served as an advocate or mentor for children and youth deserves to be recognized. Every PTA and PTSA has many deserving members among its volunteers, teachers, and staff. The honoree need not be a PTA member nor a person well known beyond their own area of service. Examples include a past or present PTA member, teacher, principal, cafeteria worker, school volunteer, grandparent, mayor, police officer, school board member, and legislator.

YOUTH AWARD: The Student Leadership Recognition honors a student who has shown leadership qualities that have made a positive difference in the school or community. Consult with your principal, counselor, teachers and parents to identify a student(s) deserving of this positive recognition.

A congratulatory letter from the President of the KY PTA will be sent with a certificate for presentation to the recipient(s).

When your PTA/PTSA chooses to award either of these Recognitions you will not only honor an individual student or adult from your community, you will also help support the Kentucky PTA Scholarship Fund.

Each year the KY PTA provides scholarships to worthy applicants in the following areas:

- Student - given to students entering the teaching field at a Kentucky college or university.
- Parent member - given to parents pursuing an undergraduate degree in education or in a health field at a Kentucky college or university.
- Teacher member - given to Kentucky certified teachers for the purpose of obtaining credit toward a master's degree or Rank I.
